

VINFAST

LUX A2.0

# LUX A2.0

## VINFAST SIGNATURE

Everything starts from The Vinfast V. From the front look, ambient V-shape lighting on the grille combined with a crease lines that radiate from the V on the hood creates a unique and prominent impression. To the right of central V emblem lies an italicized F-motif, representing second syllable of VinFast make it a contemporary and distinctive look and feel.

## MODERN HEADLIGHT COMBINATION

Headlight sleek shape positions on an aircraft-like hood has complete the aerodynamic design in front of the vehicle. Sense of harmony and balance is unrivaled.

## SPORTY ALLOY WHEELS

Sporty aluminum alloy wheels perfectly match with the elegant European style.

### 10,4 INCH HMI

At the central of dashboard lies a large and prominent 10.4" color touchscreen providing full range of entertainment and information for driver and passengers. On top of that, Vietnamese personality and cultural traits are proudly shown on default screen as wallpaper background under country's iconic sceneries. Customer can also upload their own photos and choose from Vietnam themed wallpapers for use as a background to the interface.

### AMBIENT LIGHT

Interior ambient light extended around the cockpit brings a perfect connection from the center console to the doors, creates an overall aesthetic designed to connect emotionally with people inside the car.
